Paul Thein  
Senior Executive VP of Advanceme  
Core Health Partners, LLC  
192a South Southwood Aven  
Marco Island, FL 34145

Dear Paul Thein:

It is with great pleasure that the American Diabetes Association is awarding Education Recognition to the Diabetes Self-Management Services at Core Health Partners of Southwest Florida, LLC.

Under separate cover, detailed information regarding promotion of this the DSMES services is being sent to the DSMES quality coordinator along with instructions about how to obtain electronic versions of the ADA ERP logo. The American Diabetes Association will publish the fact that your DSMES service has achieved Diabetes Self-Management Education Recognition.

The American Diabetes Association is pleased to award Education Recognition to your program. Adherence to the National Standards has undoubtedly improved the education provided to people with diabetes. We are confident that those you serve appreciate your effort, commitment, and success in providing quality diabetes education.

Sincerely,

**Gretchen Youssef, MS, RD, CDE**  
**President, Health Care & Education**

Priscilla Faulkner, MS, MA, CNS, CDE  
Chair, Committee on Education Recognition

cc: Mrs Jo Ellen Condon,  
Diabetes Educator  
(Application ID#006507)
